Overview: *Thank you to all of you who exhibited with me last year!* I am excited to offer you 17 craft fairs in 2018! Every effort will be made to advertise the individual fairs to help insure great attendance for your success. It is a 24/7 business for me as it is for many of you. You may call me any time or email me. Our business is a team effort, and you always have my attention to your wishes and requirements. I will do my utmost to accommodate you.

Security: On all multiple-day fairs, there will be security so that you may leave everything overnight. However, each exhibitor must enclose and adequately secure his or her tent. I cannot be held responsible for any loss. Insurance is each exhibitor's responsibility.

Jury: If you are new or have changed your category, please email me photos. I am looking for hand-made products and art that demonstrate creativity and uniqueness. Categories are limited.

Weather: All fairs will be held rain, snow, or shine! Shows will only be canceled in the event of a weather emergency.

Display: Displays must be professional, clean, & safe. No cardboard boxes may be visible. Outdoor tents must be properly anchored for your safety and the safety of others. The "corkscrew type" metal anchors and ratchet straps are highly recommended. At the Tanger fairs, a 40 pound weight in each corner is recommended with sand bags or concrete blocks.

Set-Up Time: Most fairs will have setup & security the day before the fair.

Deposit & Acceptance: Please send a \$50 deposit or the full amount made out to Joyce Endee for each fair applied for with the application. You will receive an email regarding your acceptance. A deposit is a commitment to a fair & is not refundable. The balance on a fair is due a month before the fair when you will receive a second email about the fair with setup information and directions. You may also postdate a check for your balance and send it with your app. Credit cards are not accepted at this time.

Discount: Sign up for **2 spaces** for the same business but **only pay for 1 1/2 spaces**. If you do **all the fairs** with me on the 2018 Application, you will get the **last fair in North Conway FREE** on December 15-16, 2018.

Demonstrations: If you wish to do a demonstration of your art or craft, please let me know. If space permits, I will give you extra footage and publicity. Please remember that if you want to do a demo it is preferable to have someone else with you who can talk with your customers and help sell your product.

May God and the Universe bless you. Best wishes to all of you for a happy, healthy, and prosperous year in 2018! Warmest regards, Joyce
